

Business Rules

- 1.) A crew member cannot work more than one airline. (think about part-time crew: they work for 2-3 airlines)
- 2.) An incident report must include a severity with it. (1 - 5) extremely good or bad.
- 3.) The airline cannot have any airplanes that have been in the service more than 30 years. (the airplane should be retired at 30 years old)
- 4.) A pilot must retire and not allowed to be a crew member once they reach the age of 65 years old
- 5.) A city can headquarter at most 10 airlines
- 6.) A pilot must have at least 10,000 hours of experience to be a pilot for an international flight
